Presumably Labor does not care to have different people attending these meetings, and [redacted]

25X1A9a

Says [redacted] prefers a single character rather than numerous ad hoc processes.

25X1A9a

I think you & I ought to talk with [redacted] re this on his next call.

In the meantime I'll check [redacted] (Econ) who apparently expressed a great interest when [redacted] talked with him.

[redacted]

25X1A9a

If [redacted] is that interested, perhaps he should find the time to attend the series.

It may be one-man-or-none, in which case Mr B will want to know, won't he?

Let me know whether I shall call you in.
